

**DECLARATION OF COVENANTS, CONDITIONS AND RESTRICTIONS  
LINDA LAKES**

**THIS DECLARATION, made this 17 day of May, 2017, by OLD JENNINGS ESTATES INVESTMENT, INC., a Florida corporation, whose address is 2120 Corporate Square Boulevard, Suite 3, Jacksonville, Florida 32216 (hereinafter called "Developer");**

**WITNESSETH:**

**WHEREAS, Developer is the owner of certain real Property (as hereinafter defined) more fully described on the "Plat" (hereinafter defined); and**

**WHEREAS, Developer is now or may become the owner of certain other real property adjacent or contiguous to the Property (hereinafter defined as the "Future Development Property") and Developer desires to reserve the right to develop all or a portion of the Future Development Property in a manner consistent with this Declaration of Covenants, Conditions and Restrictions of LINDA LAKES (hereinafter referred to as the "Declaration") and to annex all or a portion of the Future Development Property to the terms of this Declaration and require that the owners of Lot(s) (as hereinafter defined) in such Future Development Property be members of the Association created herein; and**

**WHEREAS, Developer desires to provide for the preservation of the values and amenities of the Property and for the care and maintenance of certain "Common Areas" and/or "Maintenance Areas" (as such terms are hereinafter defined) and to this end, desires to subject the Property (together with such additions thereto from the Future Development Property as may hereafter be made in writing), to the Declaration which is hereby declared to be for the benefit of the Property and each and every Owner (as hereinafter defined) of any and all parts thereof, their respective heirs, successors and assigns, and shall be deemed to run with title to the Property.**

**NOW, THEREFORE, Developer declares that the real Property described in the Plat and such other properties as are or may be subsequently annexed to this Declaration as hereinafter set forth, are and shall be held, transferred, sold, conveyed, and occupied subject to the covenants, conditions, restrictions, easements, charges and liens, contained herein (sometimes hereinafter referred to as "Covenants and Restrictions"), all of which are for the purpose of protecting the value and desirability of the Property and which shall run with the title to the Property, or any part thereof, and shall be binding upon any Owners thereof, their heirs, successors, assigns and mortgagees.**

Date: 5-19-17 Time: 1:05pm**DECLARATION OF COVENANTS, CONDITIONS AND RESTRICTIONS  
LINDA LAKES**

THIS DECLARATION, made this 17 day of May, 2017, by **OLD JENNINGS ESTATES INVESTMENT, INC.**, a Florida corporation, whose address is 2120 Corporate Square Boulevard, Suite 3, Jacksonville, Florida 32216 (hereinafter called "Developer");

**WITNESSETH:**

**WHEREAS**, Developer is the owner of certain real Property (as hereinafter defined) more fully described on the "Plat" (hereinafter defined); and

**WHEREAS**, Developer is now or may become the owner of certain other real property adjacent or contiguous to the Property (hereinafter defined as the "Future Development Property") and Developer desires to reserve the right to develop all or a portion of the Future Development Property in a manner consistent with this Declaration of Covenants, Conditions and Restrictions of LINDA LAKES (hereinafter referred to as the "Declaration") and to annex all or a portion of the Future Development Property to the terms of this Declaration and require that the owners of Lot(s) (as hereinafter defined) in such Future Development Property be members of the Association created herein; and

**WHEREAS**, Developer desires to provide for the preservation of the values and amenities of the Property and for the care and maintenance of certain "Common Areas" and/or "Maintenance Areas" (as such terms are hereinafter defined) and to this end, desires to subject the Property (together with such additions thereto from the Future Development Property as may hereafter be made in writing), to the Declaration which is hereby declared to be for the benefit of the Property and each and every Owner (as hereinafter defined) of any and all parts thereof, their respective heirs, successors and assigns, and shall be deemed to run with title to the Property.

**NOW, THEREFORE**, Developer declares that the real Property described in the Plat and such other properties as are or may be subsequently annexed to this Declaration as hereinafter set forth, are and shall be held, transferred, sold, conveyed, and occupied subject to the covenants, conditions, restrictions, easements, charges and liens, contained herein (sometimes hereinafter referred to as "Covenants and Restrictions"), all of which are for the purpose of protecting the value and desirability of the Property and which shall run with the title to the Property, or any part thereof, and shall be binding upon any Owners thereof, their heirs, successors, assigns and mortgagees.

**ARTICLE I.**  
**DEFINITIONS**

**1.1 Annexation.** "Annexation" shall mean and refer to the addition of the Future Development Property and/or any other lands contiguous to the Property or contiguous to the Future Development Property, even if separated therefrom by a roadway or highway, at the option of Developer, to the Property and the subjection of such Property to the terms and conditions set forth in this Declaration. Annexation shall be accomplished by Developer recording an amendment to this Declaration in the current public records of Clay County, Florida, describing the property to be annexed and stating that such property is subject to all the terms, covenants, conditions and restrictions of this Declaration. For purposes of this Declaration, Future Development Property shall be deemed to be contiguous to the Property even if separated therefrom by a roadway or highway.

**1.2 Articles.** "Articles" shall mean and refer to the articles of incorporation of the Association (as hereinafter defined), a copy of which is attached hereto as Exhibit "A" for recordation, as required by Section 720.303(1), Florida Statutes (2014).

**1.3 Assessment.** The term "Assessment" as used herein shall mean and refer to the share of Association Expenses (as hereinafter defined) assessed from time to time against a Lot and the Owner(s) (as hereinafter defined) thereof, and may include the imposition of a fine or charge against an individual Lot and the Owner(s) thereof arising out of fines or charges imposed by the Association from time to time.

**1.4 Assessment Period.** "Assessment Period" shall be the same period as a calendar year, from January 1 to December 31 of any given year.

**1.5 Association.** "Association" shall mean and refer to Linda Lakes Homeowners Association, Inc., a corporation not-for-profit, and its successors and assigns, organized or to be organized pursuant to Chapter 617, Florida Statutes (2014) and operated pursuant to Chapter 720, Florida Statutes (2014), as amended from time to time.

**1.6 Association Expenses.** "Association Expenses" shall mean and refer to the expenses and charges described in this Declaration, incurred or to be incurred by the Association and assessed or to be assessed against the Lots and the Owners thereof through annual or Special Assessments (as hereinafter defined).

**1.7 Board of Directors.** "Board of Directors" shall mean and refer to the Board of Directors of the Association.

**1.8 By-Laws.** "By-Laws" shall mean and refer to the By-Laws of the Association, from time to time in effect, a copy of which is attached hereto as Exhibit "B", for recordation as required by Section 720.303(1), Florida Statutes (2014).

**1.9 Common Areas.** "Common Areas" shall mean and refer to that portion of the Property which is owned by the Association and which is intended for the common use and enjoyment of the Owners, including, but not limited to, (i) the stormwater systems to be constructed in accordance with the requirements of the St. Johns River Water Management District (hereinafter referred to as the "SJRWMD"), the Department of Environmental Protection (hereinafter referred to as the "DEP"), and/or the U.S. Army Corps of Engineers (hereinafter referred to as the "Corps"); (ii) the areas, if any, shown on the recorded Plat as "Stormwater Retention Ponds" or "Easements" which connect the Stormwater Retention Ponds or drainage infrastructure with other drainage facilities; (iii) when conveyed to the Association by the Developer via plat or recorded deed to the conservation easement area (the "Conservation Easement"), as is subject to the Conservation Easement in favor of the SJRWMD, recorded in Official Records Plat Book 58, at Page 59, of the current public records of Clay County, Florida, (iv) any areas devoted to signage and related uses if conveyed to the Association by the Developer, (v) the private roads as shown on the recorded Plat, and (vi) any facilities installed or constructed on the Property, including without limitation, entry gate, cabana, and dock. The Common Areas shall include only those areas conveyed by the Developer to the Association or established in favor of the Association pursuant to the provisions of this Declaration and/or the Plat. In addition, Developer shall have the right, but not the obligation to construct recreation areas within certain Lots or lands in Linda Lakes or other common areas as the Developer may designate from time to time within the Future Development Property and to include those facilities in the Common Areas.

**1.10 Developed Lot.** "Developed Lot" shall mean and refer to any Lot owned by anyone other than Developer or any corporation affiliated with Developer. For purposes hereof, an affiliated corporation shall be deemed to be any corporation the majority of whose stock is owned by Developer, or the majority shareholder of Developer, or any corporation which itself may be deemed to be an affiliate of Developer because of common equity ownership.

**1.11 Developer.** "Developer" shall mean and refer to OLD JENNINGS ESTATES INVESTMENT, INC., a Florida corporation, its successors and assigns, to the extent that an express assignment has been made by Developer.

**1.12 Future Development Property.** "Future Development Property" shall mean and refer to that certain property adjacent or contiguous to the Property as Developer may determine from time to time, including without limitation lands south of Clay Station Road if added to the Property by Annexation by the Developer.

**1.13 Lot.** "Lot" shall mean and refer to any of the Lots shown upon the recorded subdivision Plat of the Property and the Future Development Property, if such

property is annexed as herein set forth. Unless set forth herein to the contrary, the term "Lot" shall include both Developed Lots and Undeveloped Lots.

**1.14 Maintenance Area.** "Maintenance Area" shall mean and refer to those portions of the Property or improvements thereto which are not owned by the Association but are maintained by the Association from time to time, including without limitation, all of the stormwater systems to be constructed in accordance with the requirements of the SJRWMD, the DEP, and/or the Corps and the surface waters of any areas designated as "Stormwater Retention Ponds" or "Easements" or "Maintenance Area" on the recorded plats, medians or rights-of-way abutting public streets, the entrance way(s) to the subdivision including landscaping, fencing and signage, and decorative or border fencing or walls, if any, constructed by the Developer upon the boundaries of the Property. Notwithstanding, pursuant to the terms hereof, the Developer may retain control of entrance ways to the subdivision as agent for the Association, as provided in Section 5.29.

**1.15 Member.** "Member" shall mean and refer to all Owners of Lots, who by virtue of such ownership become Members of the Association as provided in Section 2.1.

**1.16 Owner.** "Owner" shall mean and refer to the record owner, whether one (1) or more persons or entities, of fee simple title to any particular Lot which is a part of the Property or the Future Development Property, if such property is developed and annexed as herein set forth, including contract sellers. The term "Owner" shall not mean or refer to any mortgagee, grantee or beneficiary under a mortgage, deed of trust or security deed unless and until such mortgagee, grantee or beneficiary has acquired title pursuant to foreclosure or any proceeding or conveyance in lieu of foreclosure.

**1.17 Property.** "Property" shall mean and refer to all the land described in the Plat of Linda Lakes, and, to the extent it is annexed, it shall also include the land contained within the Future Development Property.

**1.18 Stormwater Management System.** "Stormwater Management System" means a system which is designed and constructed or implemented to control discharges which are necessitated by rainfall events, incorporating methods to collect, convey, store, absorb, inhibit, treat, use or reuse water to prevent or reduce flooding, overdrainage, environmental degradation, and water pollution or otherwise affect the quantity and quality of discharges from the system, as permitted pursuant to Chapters 40C-4, 40C-40, or 40C-42, Florida Administrative Code.

**1.19 Undeveloped Lot Owned By Developer.** "Undeveloped Lot Owned By Developer" shall mean and refer to any Lot which is owned by Developer.

**1.20 Plat.** "Plat" shall mean and refer to the plat of certain real property more fully described in the Plat of Linda Lakes, according to the plat thereof, recorded in Plat Book 58, at Page 59 et. seq. of the Public Records of Clay County, Florida and such additional plats of any Future Development Property which is annexed and subjected to the terms and provisions of this Declaration.

**ARTICLE II.**  
**MEMBERSHIP AND VOTING RIGHTS IN THE ASSOCIATION**

**2.1 Membership.** Every Owner of a Lot shall be a Member of the Association. Such membership shall be coincident with the ownership of the Lot, and shall not be separately transferable. Membership shall cease upon the transfer or termination of ownership; provided, however, in the event that an Owner leases the improvements on his Lot to a tenant, such tenant shall be entitled to the use of the Common Areas but the Owner shall remain liable for all Assessments, for compliance with the terms and conditions with the Articles, By-Laws and this Declaration and shall retain all voting rights.

**2.2 Voting Rights.** The Association shall have two (2) classes of voting membership:

Class A - Class A Members shall be all Owners who have taken title to one (1) or more Lots, excluding the Developer until such time as Class B membership ceases to exist, at which time Developer to the extent it is an Owner of a Lot(s) shall be entitled to vote like any other Owner of a Lot. A Class A Member shall be entitled to one (1) vote for each Lot owned by such Member. When a Lot is owned by more than one (1) person, all such persons shall be Members. The vote for such Lot shall be exercised as the Owners determine, but in no event shall more than one (1) vote be cast with respect to any Lot.

Class B - The Class B Member shall be Developer, which shall be initially entitled to a number of votes equal to the number of Lots in the Property, plus one (1). The total number of votes of the Class B Member shall be increased at the time of Annexation of Future Development Property to a number equal to the number of Lots included on the Plat of the Property and the Future Development Property, plus one (1). The total number of votes of the Class B Member shall increase as herein set forth each time a portion of the Future Development Property is annexed as provided in this Declaration.

**2.3 Transfer of Control.** Members other than Developer shall be entitled to elect at least a majority of the Board of Directors of the Association; and the Class B membership shall terminate, upon the happening of the earlier of the following events, whichever first occurs:

(i) three (3) months after Developer has conveyed to Members ninety percent (90%) of the Lots located on the Property and the Future Development Property, if annexed as herein provided, or

(ii) at such earlier date as Developer, in his sole discretion, may determine.

Any of the events described in clauses (i) or (ii) of the foregoing sentence are hereinafter referred to as a "Transfer Event". For purposes of this section 2.3, the term "Members" (other than the Developer) shall not include builders, contractors or others who purchase a Lot for the purpose of constructing improvements thereon for resale. Notwithstanding anything herein to the contrary, so long as the Developer holds for sale in the ordinary course of business at least five percent (5%) of the Lots in all phases constituting the Property (including any Future Development Property), the Developer shall be entitled to elect at least one (1) member of the Board of Directors of the Association, as provided by Section 720.307(2) Florida Statutes (2014).

**2.4 Membership and Voting Procedure.** The Articles and By-Laws of the Association shall more specifically define and describe the procedural requirements for the Association and voting procedures, but shall not substantially alter or amend any of the rights or obligations of the Developer as set forth herein.

### **ARTICLE III. PROPERTY RIGHTS IN THE COMMON AREAS AND MAINTENANCE AREAS**

**3.1 Members' Easement of Enjoyment.** Subject to the provisions of Section 3.3 of this Article III, every Member and the Association shall have and is hereby granted a right and easement for ingress, egress and of enjoyment in and to the Common Areas as shown on any Plat of the Property or the Future Development Property and an easement for drainage over and into the Maintenance Areas. Such Easements shall be appurtenant to and shall pass with the title to each Lot whether or not the same shall be referred to in any deed conveying title to any Lot. Notwithstanding the foregoing, no Member or the Association shall use the area contained within the Conservation Easement in violation of the Conservation Easement Agreement, nor shall any Member or the Association disturb (or fail to maintain in its natural state) any area shown and described on the Plat as a "buffer area" or "upland buffer area" contiguous to any wetland, or disturb such buffer area from its natural state.

**3.2 Title.** Developer shall convey to the Association the fee simple title to the Common Areas, if any, together with those Tracts as denoted on the Plat, by special warranty deed subject to covenants, easements, conditions and restrictions of record, at such time as the improvements thereon, if any, are complete, and if unimproved, at such time as it so determines, provided that the Common Areas shall be conveyed no

later than the occurrence of a Transfer Event; provided, however, so long as Developer retains any Lots in the Subdivision, Developer may retain control of entrance ways to the Subdivision as agent for the Association as provided in Section 5.29 hereof.

**3.3 Extent of Members' Easements.** The easements created hereby shall be subject to the following:

(a) The right of the Developer, and of the Association, in accordance with its Articles and By-Laws, to borrow money for the purpose of improving the Common Areas and in aid thereof, to mortgage the Common Areas. In the event of a default upon such mortgage, the lender's rights thereunder shall be subject to and limited by the rights of the Members as described therein; and

(b) The right of the Association to take such steps as are reasonably necessary to protect the Common Areas against foreclosure; and

(c) The right of the Association to suspend the enjoyment of the Common Areas by, and voting rights of, any Member (or any tenant or lessee of any such Member) for (i) the nonpayment of any Assessment, fine, fee, or other monetary obligation due to the Association that is more than ninety (90) days delinquent until the Assessment, fine, fee, or other monetary obligation is paid in full, or (ii) the failure of the Owner of the parcel or its occupant, licensee, or invitee to comply with any provision of this Declaration, the Bylaws, or reasonable rules and regulations of the Association, for a reasonable period of time not to exceed sixty (60) days; and

(d) The right of the Association to dedicate or transfer all or any part of the Common Areas to any public agency, authority or utility. Prior to a Transfer Event, such dedication or transfer may be effected by the Developer without further consent from the Owners or their mortgagees. Subject to the limitations imposed by governmental or quasi-governmental authorities from time to time in effect. Subsequent to a Transfer Event, no such dedication or transfer shall be effective until agreed to by a vote of two-thirds (2/3) of the votes of the Owners of all Lots and unless an instrument has been recorded, signed and sworn to by the Secretary of the Association stating that such a vote was duly held and that two-thirds (2/3) of the votes representing all Lots favored such dedication or transfer; provided, however, the granting of an easement, license or permit over the Common Areas by the Association shall not be deemed to be a dedication

or transfer of the Common Areas requiring approval as provided herein but may be granted by the Association without further consent of the Owners or their mortgagees; and

(e) The right of tenants of Members to use the facilities on the Common Areas; and

(f) The right of the Developer and/or the Association to make certain rules and regulations concerning the use of the Common or Maintenance Areas.

#### **ARTICLE IV. COVENANT FOR MAINTENANCE ASSESSMENT**

**4.1 Creation of the Lien and Personal Obligation of Assessments.** The Developer, for each Lot owned by it within the Property, hereby covenants, and each Owner of a Lot by acceptance of a deed therefor, whether or not it shall be so expressed in such deed, is deemed to covenant and agree to pay to the Association: (i) annual Assessment or charges, (ii) Special Assessments (as described in Section 4.5 hereof) to be established and collected as hereinafter provided, and (iii) fines and charges as may be established and implemented from time to time by the Association. The annual and Special Assessments, and fines and charges, together with interest, costs and reasonable attorneys' fees, shall be a charge on the Lot and shall constitute a lien upon the Lot against which each such Assessment is made, which lien shall be effective from and shall relate back to the date on which this Declaration was recorded in the current public records of Clay County, Florida. The claim of lien shall secure all unpaid assessments that are due and that may accrue subsequent to the recording of the claim of lien and before the entry of a certificate of title, as well as interest, late charges, and reasonable attorneys' fees and costs. Each such Assessment, together with interest, costs, and reasonable attorneys' fees, shall also be the personal obligation of the person who was the Owner of such Lot at the time when the Assessment fell due. A parcel Owner is jointly and severally liable with the previous owner for all unpaid assessments that came due up to the time of the transfer of title. This liability is without prejudice to any right the present Owner may have to recover any amounts paid by the present Owner from the previous Owner. The delinquent Assessment shall remain a lien against the Lot until paid, except as provided in Section 4.9.

**4.2 Purpose of Assessments.** The Assessments levied by the Association shall be used to promote the health, safety, and welfare of the residents of the Property, for the expenses of performing the duties or rights of the Association as set forth in this Declaration, Articles and By-Laws, for the improvements and maintenance of the Common and Maintenance Areas including payment of taxes, if any, thereupon and the cost of insurance as may be deemed necessary or prudent by the Board of Directors, and for reserve accounts for capital expenditure and deferred maintenance for which the Association is responsible.

**4.3 Methodology and Classes of Assessments.** All Lots, regardless of Lot size, location, or proximity to Common Areas, or other amenities, shall be assessed equally and no differentiation in Assessment shall be made in the annual budget or any annual Assessment with respect to any Assessment after the initial Assessment. Each Member's proportionate share of the annual Assessment shall be equal to the total number of Lots created by the Plat of the Property, including any additional Lots as may be created on the Future Development Property. All Assessments shall be levied pursuant to the annual budget or Special Assessments and shall be in the Member's proportionate share of expenses, which share shall be subject to recalculation from time to time should the Future Development Property be annexed. Until a Transfer Event shall have occurred, Developer shall be excused from payment of its share of the operating expenses and Assessments related to any Undeveloped Lots owned by the Developer for all periods of time for which the Developer has agreed in writing, as a supplement to this Declaration, and has obligated itself to pay any operating expense deficit incurred that exceed the Assessments received from other Members and other income of the Association. There shall be two (2) classes of Assessment:

**Class A "Developed Lots":** The initial Assessment for Developed Lots shall be an amount not to exceed the Maximum Annual Assessment, as the same may be modified as set forth in Section 4.4 below.

**Class B "Undeveloped Lots Owned By Developer":** The initial annual Assessment for Undeveloped Lots owned By Developer shall be Zero and No/100 Dollars (\$-0-).

**4.4 Maximum Annual Assessment.** Until January 1 of the second (2<sup>nd</sup>) year immediately following the conveyance of the first Lot to an Owner, the Maximum Annual Assessment for Class A Developed Lots shall be Fifteen Hundred Dollars and 00/100 Dollars (\$1500.00) per Lot ("Maximum Annual Assessment"), which will include the costs and expenses of performance of all the duties and obligations of the Association set forth herein; provided, however, in the event that the Developer elects, in its sole discretion, to construct a recreational facility upon the Common Areas, the Assessment may be increased above the Maximum Annual Assessment to include the cost of maintenance of the improved Common Areas; which increased Assessment amount shall become the new Maximum Annual Assessment for that year.

(a) From and after January 1 of the second (2<sup>nd</sup>) year immediately following the conveyance of the first Lot to an Owner, the Maximum Annual Assessment shall be increased each year by the Board of Directors of the Association not more than ten percent (10%) above the Maximum Annual Assessment for the previous year without a vote of the membership; provided, however, if recreational facilities are added, at Developer's option, the maximum Assessment may be increased as aforementioned.

(b) From and after January 1 of the second (2<sup>nd</sup>) year immediately following conveyance of the first Lot to an Owner until a Transfer Event, the Maximum Annual Assessment may be increased by the Developer by more than ten percent (10%) above the Maximum Annual Assessment for the previous year in the event the Developer has added recreational facilities, by an amount sufficient to pay the cost of maintenance and repair of such recreational facility or, for other purpose, by a vote of two-thirds (2/3) of Members who are voting in person or by proxy, at a meeting duly called for this purpose.

(c) The Board of Directors, may fix the annual Assessment for Developed Lots at an amount not in excess of the Maximum Annual Assessment (as the same may be modified upon the addition of recreational facilities as described above). The Undeveloped Lot Assessments and the applicable increases thereof as provided above, shall be established in the proportions as set forth in Section 4.3.

**4.5 Special Assessment.** Special Assessments "(Special Assessment)" shall be levied and paid in the same manner as heretofore provided for regular Assessments. Special Assessments can be of two (2) kinds: (i) those chargeable to all Members in the same proportions as regular Assessments to meet shortages or emergencies, to construct, reconstruct, repair or replace all or any part of the Common or Maintenance Areas and for such other purposes as shall be approved by a majority of all votes of the classes of Members; or (ii) those assessed against one (1) Owner alone to cover repairs or maintenance for which such Owner, or his tenant, is responsible and which Owner has failed to make, which Special Assessment may be approved by the board of Directors.

**4.6 Date of Commencement of Annual Assessments; Due Dates.** The annual Assessments provided for herein shall commence as to all Lots on the first day following the conveyance of the first Developed Lot. The annual Assessment as a Developed Lot shall be adjusted according to the number of months remaining in the calendar year. The Board of Directors shall fix the amount of the annual Assessment against each Lot at least thirty (30) days in advance of each annual Assessment Period. Written notice of the annual Assessment shall be sent to every Owner subject thereto; provided, however, failure to send such notice shall not affect the liability or lien for the Assessment. Unless determined to the contrary by the Board of Directors, the annual Assessment shall be due and payable on the first day of January of each year.

**4.7 Association Certificate of Payments.** The Association shall, upon demand, and for a reasonable charge, furnish a certificate signed by an officer of the Association setting forth whether the Assessments on a specified Lot have been paid. A properly executed certificate of the Association as to the status of Assessments on a Lot shall be binding upon the Association as of the date of its issuance.

**4.8 Effect of Nonpayment of Assessments: Remedies of the Association.**

Any Assessment not paid within thirty (30) days after the due date shall be subject to a late fee in an amount established from time to time by the Association and interest from the due date at the highest rate permitted by law. The Association may bring an action at law against the Owner, to foreclose the lien against the Lot of the Owner, or both. No Owner may waive or otherwise escape liability for the Assessments provided for herein by abandonment of his Lot.

**4.9 Subordination of the Lien of Mortgages.** The lien of the Assessment provided for herein shall be subordinate to the lien of any first mortgage. Sale or transfer of any Lot shall not affect the Assessment lien. However, the sale or transfer of any Lot pursuant to mortgage foreclosure or any proceeding in lieu thereof shall extinguish the lien of such Assessments as to payments which became due prior to such sale or transfer; provided, however, the personal obligation to pay the Assessment shall not be extinguished. Notwithstanding anything to the contrary contained herein, the liability of a first mortgagee, or its successor or assignee as a subsequent holder of the first mortgage who acquires title to a parcel by foreclosure or by deed in lieu of foreclosure for the unpaid assessments that became due during the 12 months immediately preceding the acquisition of title and for which payment in full has not been received by the association; or one percent (1%) of the original mortgage debt. No sale or transfer shall relieve such Lot or the Owner thereof from liability from any Assessments thereafter becoming due or from the lien thereof.

**4.10 Capital Contribution Assessment.** Upon the first conveyance and any subsequent conveyance of a Lot to any person(s) or entity other than to an entity affiliated with the Developer, there will be due upon the closing of the sale of the Lot a Capital Contribution Assessment equivalent to three (3) months of assessments. Capital Contributions which the Association collects may be used for any purpose as the Board deems beneficial to the general good and welfare of the Association, including, but not limited to, paying for operating, maintenance or reserve obligations of the Association. Notwithstanding the above, no Capital Contribution shall be levied upon transfer of title to a Lot:

(a) by or to Developer, or to any entity affiliated with the Developer;

(b) by an Owner to a trust, partnership, corporation, or other entity so long as such entity is and remains wholly-owned by the Owner or by such Owner and the Owner's spouse and/or children; provided, however, if the immediately preceding transfer of the Lot was exempted from payment of the Capital Contribution pursuant to this subsection, then this subsection shall not apply and the Lot shall be subject to the Capital Contribution;

(b) by an Owner or such Owner's estate to the Owner's spouse and/or children; provided, however, if the immediately preceding conveyance of the Lot was exempted

from payment of the Capital Contribution pursuant to this subsection, then this subsection shall not apply and the Lot shall be subject to the Capital Contribution;

(c) of an undivided interest in a Lot by the Owner thereof to any then existing co-Owner(s) of such Lot; or

(d) to an institutional lender pursuant to a mortgage or upon foreclosure of a mortgage.

## **ARTICLE V. COVENANTS AND RESTRICTIONS**

**5.1 Approval of Improvement.** Except as originally constructed by the Developer or a Developer approved builder, no building, fence, wall, or other structure (including without limitation any building, outbuilding, pool, shed, garage, swing set, jungle gym, or other playground equipment, flagpole, antenna, or any such similar device) or landscaping or other feature affixed to the land shall be commenced, erected or maintained upon any Lot, nor shall any exterior addition to or change or alteration therein be made, including without limitation, exterior painting, until the plans and specifications showing the nature, kind, shape, height, materials, exterior color (including paint color), and location of the structure with respect to topography and finished grade elevations, shall have been submitted to and approved in writing as to quality of workmanship and materials, conformity and harmony of external design and color and location in relation to surrounding structures and topography and finished grade elevations and landscaping, by the Developer, or by an architectural review committee composed of one (1) or more representatives appointed by the Developer or, after the Transfer Event, a representative designated by a majority of the Board of Directors. In no event shall any outbuilding, or free standing garage be constructed on Lots abutting any lake or other body of water. In no event shall any swing set, jungle gym, or other playground equipment be placed in the front or side yards of any Lot, it being the intent hereunder that all such improvements shall be constructed only in the rear yard of any Lot; the location, design, and color of such structure or recreational equipment must first be approved by the same methodology as any other improvement requested by this Declaration and shall be hidden from view by an approved fence and landscaping. In no event shall any shed be constructed, placed, kept, or erected on any Lot. No basketball hoops shall be placed within any right of way. No permanent basketball hoops shall be erected upon any Lot. Any basketball hoop used by an Owner on a Lot shall be of a temporary nature and shall be concealed within the garage or behind the residence away from view when not in use. Requests for approval shall be in writing delivered to Developer or the architectural review committee by Certified Mail Return Receipt Requested. In the event the Developer, or its designated committee, fails to approve or disapprove such design and location within sixty (60) days after the plans and specifications have been submitted to it at the corporate office, such plans and specifications shall be deemed approved and the requirements of this Section 5.1 shall be satisfied. However the inaction of the Developer or architectural review committee shall not entitle any Lot Owner to violate any of the requirements of

this Declaration. The right of approval set forth herein shall pass to the Board of Directors of the Association upon the Transfer Event.

An Owner whose plans and specifications are approved or an Owner who undertakes the making of improvements without such approval agrees, and shall be deemed to have agreed, for such Owner, his heirs, personal representatives, successors, and assigns, as appropriate, to hold the Developer, the Association or any architectural review committee harmless from any liability or damage to the Lot or the Property and from expenses arising therefrom and shall be solely responsible for the maintenance, repair and insurance thereof.

Neither the Developer, members of the architectural review committee, nor its designated representative shall be entitled to any compensation for services performed pursuant to this covenant. The powers and duties of such committee and its designated representative shall remain in Developer unless and until assigned to another party.

The Developer or Association's Board of Directors shall be authorized to adopt and modify from time to time, Architectural Standards and Guidelines. The architectural review committee shall adopt reasonable rules of procedure and standards for the submission and review of any matter to be brought before it and the inspection and final approval of any completed work done pursuant to an approval of the architectural review committee. Such rules shall be (i) subject to the prior approval of the Board of Directors, (ii) consistent with the covenants and restrictions set forth in this Declaration and (iii) published or otherwise made available to all Owners. The Developer, Association, or architectural review committee may adopt a schedule of reasonable fees and security deposits for processing requests for architectural review of proposed improvements constituting new construction and proposed exterior alterations to any Lot or improvements, and for securing completion of such construction in accordance with approved plans and specifications. Such fees, if any, shall be payable to the Association at the time that plans and specifications are submitted to the architectural review committee.

**5.2 Use Restrictions.** No structures of any kind shall be erected, altered, placed or permitted to remain on any Lot other than: (i) (a) one (1) single-family dwelling, not to exceed two (2) stories in height; and (b) one (1) private garage to accommodate up to two (2) cars or [three (3) cars with approval of Developer]; or (ii) recreational facilities in the event the Developer elects, in its sole discretion, to construct such recreational facilities upon one (1) or more Lots, and in which event the restrictions contained in this Article V shall not apply. In addition, nothing herein contained shall be construed to prevent Developer from using any Lot for a sales office or for a right-of-way for road purposes or easements, in which event none of the restrictions herein shall apply to such specific property during the period of such use.

**5.3 Fences. No fencing shall be commenced without prior approval by the Architectural Review Committee.** No fencing shall come closer to the front property line than midpoint of the sidewall plane of the house. In the case of a corner Lot, no

fencing shall be extended toward the side street more than 7.5' from the rear corner of the structure closest to the side street. No fence which exceeds six (6) feet in height can be erected on any Lot. Except for lots bordering the lake or abutting a park, fencing shall be constructed of tan vinyl, privacy type fencing and shall be installed with the finished side of fence material facing the outside. Lots bordering a lake area or abutting a park shall be limited to 4' black aluminum, picket style fencing along the rear and side lot lines. On lake lots the fence can come no closer than 5' from the top of the bank. All posts and railings shall be on the interior of the fence and shall not be visible from the outside of the fence. Owners shall periodically clean any fence on their Lot so as to keep such fence free of any mold and mildew and in order to properly maintain the integrity and appearance of such fence.

In the event fencing is to be used to enclose a swimming pool, the Lot Owner is responsible to verify local code requirements for swimming pool fencing.

Notwithstanding the foregoing, prior to construction of any fence on any Lot, approval as required by Section 5.1 shall be obtained. This restriction does not apply to any perimeter fencing, trees or landscaping which have been or may be created in the future by the Developer or its successor, and any perimeter or boundary fence constructed by or at the instruction of the Developer shall be deemed in compliance with these covenants.

The Architectural Review Committee shall have the express authority to consider and approve other materials and styles of fencing not otherwise expressly prohibited by this declaration, and to adopt supplemental architectural criteria for certain lots when circumstances such as lot size, shape, topography, natural obstructions, hardships, or aesthetic or environmental considerations require the same.

**5.4 Set Back Lines.** No structure of any kind shall be located on any Lot nearer than (i) 10 feet for front porches; 15 feet for front facade, 20 feet for attached or detached front facing garages. (ii) fifteen (15) feet to any side street line, (iii) ten (10) feet to the rear Lot line, or (iv) five (5) feet to any side Lot line.

In any event, no structure of any kind shall be located on any Lot nearer to the front Lot line, nor nearer to any side street line, nor nearer to any side Lot line than that which is permitted by applicable zoning from time to time, as the same may be modified by variance, exception, or other modification. If any one (1) dwelling is erected on more than one (1) Lot, or on a building plot composed of parts of more than one (1) Lot, the side line restrictions set forth above shall apply only to the extreme sidelines of the building plot occupied by such dwelling. Nothing herein contained shall be construed to prevent Developer from reducing the building restriction lines with the prior written approval of the governmental agencies having jurisdiction.

No structure or other improvement or change in the topography of the land shall be erected or made which violates the terms of, or interferes in any respect with, the

drainage or utility easements shown on the subdivision Plat, public records of Clay County, or which interferes with easements of any kind referenced to in this Declaration.

**5.5 Lot Size.** No dwelling shall be erected or placed on any Lot having a width of less than fifty (50) feet at the front building set back line except cul-de-sac Lots in the turning radius may have a minimum width of thirty-five (35) feet at the front Lot line, nor shall any dwelling be erected or placed on any Lot having an area of less than five thousand (5,000) square feet; provided, however, that each Lot shown on the subdivision Plat shall be deemed to comply with this Section 5.5. The use of two (2) or more fractional Lots shall be permitted if the square foot area and width comply with this provision.

**5.6 Minimum Square Footage.** No residence shall be constructed or permitted to remain on any Lot unless the square footage of heated living area thereof, exclusive of garages, porches and storage room, shall be equal to or exceed sixteen hundred (1,600) square feet.

**5.7 Two-story Height.** The height of the residence on each Lot shall not be more than two (2) full stories above the natural surface of the ground, and in no event shall the maximum height of any residence exceed thirty-five (35) feet.

**5.8 Landscaping.** The indiscriminate cutting down of trees is expressly prohibited without the written consent of the Developer or the architectural review committee described in Section 5.1 herein except in those areas where structures and other improvements shall be located; such as, homes, patios, driveways, gardens, parking and recreational areas. Also, selective cutting and thinning for lawns and other general improvements shall be permitted. It is the responsibility of each Owner to maintain the area between the front Property line of his Lot and the street, as well as the side Property line and the street in the case of corner Lots. Each Owner shall maintain at all times, all portions of their lot in a clean, safe and neat condition, including without limitation regular mowing and trimming, elimination of weeds and remediating any bare and brown areas. In addition, if the Lot Owner fails to maintain his or her lawn and landscaping, the Developer (until a Transfer Event and thereafter the Association) shall have the right, but not the obligation, to enter upon any such Lot to perform such maintenance work which may be reasonably required, all at the sole expense of the Lot Owner, which expense shall be payable by the Lot Owner to the Developer or the Association upon demand. All related costs incurred by the Developer or Association incident to the correction of the terms and conditions of this paragraph shall be recoverable by the Developer or Association (said cost to include reasonable attorneys' fees for the collection of same), in a court of competent jurisdiction. Should the Developer or Association elect rather than file suit in a court of competent jurisdiction for the collection of aforementioned enumerated costs and expenses, the Developer or Association shall have the right to file a lien against the Lot(s) where said correction of any violation has occurred and shall have all the rights enumerated in these Covenants and Restrictions as the Association concerning the collection of said cost and expenses in the enforcement of such lien. Notwithstanding the foregoing restrictions, the

restrictions set forth hereinabove may be superseded in effect from time to time by any regulation imposed by any governmental authority which is more restrictive in nature with respect to the cutting of trees.

**5.9 Developer's Right to Re-Subdivide.** The Developer may re-subdivide or replat the Property in any way it sees fit for any purpose whatsoever consistent with the development of the Property provided that no dwelling shall be erected upon or allowed to occupy any Lot within such replatted, or re-subdivided land which has an area less than forty five hundred thousand (4,500) square feet. The restrictions herein contained, in case of any such replatting or re-subdividing; shall apply to each Lot as replatted or re-subdivided. In addition, the Developer may re-subdivide one (1) or more Lots to provide for roadway purposes and easements.

**5.10 Prohibited Activities.** No trade, business, noxious or offensive activity, in the sole opinion of the Developer (until the Transfer Event and thereafter the Association), shall be carried on upon any Lot nor shall anything be done thereon which may be or become an annoyance or nuisance to the neighborhood. No immoral, improper, offensive or unlawful use shall be made of the Lots or any part thereof and all valid laws, zoning ordinances and regulations of all governmental bodies having jurisdiction thereof shall be observed. The responsibility of meeting the requirements of governmental bodies pertaining to maintenance, replacements, modification or repair of the Lots shall be the same as is elsewhere herein specified. No garage shall at any time be used as a residence or enclosed and incorporated into a residence, except that the Developer and/or a builder buying Lots from Developer, with Developer's prior approval, shall be permitted to enclose the garage of model homes, and if the garage is so enclosed, the house cannot be sold or occupied by a tenant without the enclosed garage being converted to a garage with an approved garage door. No commercial activity shall be carried out in the residence or garage, temporarily or permanently, except for the use of said garage as a sales office by the Developer or builder, with Developer's prior written approval, nor shall any structure of a temporary character be used as a residence. When a garage is constructed on a Lot, the Owner of such Lot shall at all times keep all garages fitted with garage doors and keep all garage doors closed except for those immediate periods when the Owner or his agents is accessing the garage.

**5.11 Pets and Animals.** Only domestic pets such as dogs, cats, birds or other household pets as defined by the Developer or Association may be kept on the Property. No exotic pets, including snakes and other reptiles shall be kept anywhere within the property. It is strictly prohibited to breed or raise any animals. In any event, there shall not be more than a total of (3) animals (except birds and fish) kept on any one (1) Lot. Pets shall not be left unattended outside the residential dwelling or on any patio at any time. All pets must be held or kept leashed or otherwise appropriately restrained all times they are outside of the dwelling. All pet owners shall be held strictly responsible to immediately collect and properly dispose of droppings, wastes, and litter of their pets. Failure to do so may result in fines.

**5.12 Pools** No above ground pools are allowed. All in-ground pools must be pre-approved in writing by the Architectural Review Committee.

**5.13 Parking of Wheeled Vehicles, Boats, Etc.** No recreational vehicles, boats, travel trailers, boat trailers, campers, mopeds, trucks, trucks and trailers (other than pickup trucks), or vehicles in disrepair, may be kept or parked between the paved road and the residential structures, or within the front, side, or rear yard, or within, the right-of-way. The aforementioned wheeled vehicles (except for motorized homes, RVs, commercial vehicles, boats or boat trailers, horse trailers, travel trailers, campers, and vehicles in disrepair which are strictly prohibited), may be kept if maintained completely inside a garage attached to the main residence. Private automobiles or vehicles of the Owners bearing no commercial signs or equipment may be parked in the driveway upon the Lot from the commencement of use thereof in the morning to the cessation of use thereof in the evening. Commercial vehicles may be parked in such driveways only during the times necessary for pickup and delivery service by the commercial vehicle, or loading or unloading by the commercial vehicle, and only in the event that it is solely for the purpose of said service. Permitted vehicles must be parked in the Lot's garage or driveway. Parking shall not be permitted upon any other areas of the Lot, Common Areas, or rights-of-way. The Association is empowered to establish parking regulations within the Property and may make provision for the involuntary removal of any violating vehicle. No vehicle may be parked in such a way as to obstruct the sidewalk. Any vehicle or recreational equipment parked in violation of these or other regulations contained herein or in the rules and regulations adopted by the Association may be towed by the Association at the sole expense of the owner of such vehicles or recreational equipment if it remains in violation of the terms and conditions of this Declaration following notice by the Association. The Association shall not be liable to the owner of such vehicle or recreational equipment for trespass, conversion, damages, or otherwise, nor guilty of any criminal act by reason of such towing, and neither its removal nor failure of the owner of such vehicle or recreational equipment to receive any notice of said violation shall be grounds for relief of any kind. All towing shall be performed in accordance with Chapter 715, Florida Statutes.

**5.14 Signs and Flags.** No sign of any kind shall be displayed to the public view on any Lot except "For Rent" or "For Sale" signs, which signs may refer only to the particular Lot on which displayed, and shall be of materials, size, height and design approved by the Developer or architectural review committee. The Developer or the Association may enter upon any Lot and summarily remove any signs which do not meet the provisions of this paragraph. Nothing contained in this Declaration shall prevent the Developer, or any person designated by the Developer, from erecting or maintaining such signs or other entrance features. No flags of any kind, other than as permitted by section 720.304(2), Florida Statutes, may be placed, erected, or displayed on any Lot or improvement thereon, provided, however that the location or placement of such is subject to architectural review.

**5.15 Aerials, Antennas and Satellite Receptor Dishes.** No radio or television aerial, dish antenna or antenna nor other exterior electronic or electrical

equipment or devices of any kind shall be installed or maintained on the exterior of any structure, except as hereinafter allowed, located on a Lot or on any portion of any Lot. A satellite dish antenna may be mounted on the rear eave (fascia) of a residence at a location no closer than five (5) feet from any back corner of the residence. No satellite dish shall exceed eighteen (18) inches in diameter and no more than one (2) satellite dish antenna shall be allowed per Lot.

**5.16 Intersection Sight Lines.** No fence, wall, hedge or shrub planting which obstructs a sight line at elevations between two (2) and six (6) feet above the roadways shall be placed or permitted to remain on any corner Lot within the triangular area formed by the street Property lines, or in the case of a rounded Property corner, from the intersection of the street Property lines extended. No tree shall be permitted to remain within such distances of such intersections unless the foliage line is maintained at sufficient height to prevent obstruction of sight lines between two (2) and six (6) feet above the roadways. Nothing contained in this Declaration shall prevent the Developer, or any person designated by the Developer, from erecting or maintaining such fence, wall, hedge or shrub planting.

**5.17 Encroachments.** Where a structure has been erected, or the construction thereof substantially advanced, and is situated on any Lot or Lots as now platted or on any subdivided or replatted Lot in such manner that the same constitutes a violation or violations of the Covenants and Restrictions contained in this Declaration, Developer shall have the right any time to waive such violation prior to the Transfer Event; provided, however, that the Developer shall waive only those violations which the Developer, in its sole discretion, determines to be minor.

**5.18 Utility Easements.** A perpetual, nonexclusive, alienable and releasable easement is hereby reserved to the Developer, and its successors and assigns, over, under and above a ten (10) foot strip at the rear of each Lot (except such ten (10) foot wide strip shall be located immediately within each lot interior and contiguous to, and outside of, the Conservation Easement for those Lots containing a portion of the Conservation Easement and contiguous to the wetland buffer for those Lots containing a portion of any wetland buffer) and over, under and above a five (5) foot strip at the side Lot lines described herein (excluding any portion of the Conservation Easement or wetland buffer where applicable), and also over, under and above those easements shown on the recorded Plat of the Property for the construction, installation and maintenance of drainage ditches and facilities, power, telephone, lighting, heating, gas, water, electric, sanitary and storm sewer facilities and other public or private utility installations of every kind or for any reason deemed necessary by the Developer. Within these easements, no structure, planting, or other material shall be placed or permitted to remain which may damage or interfere with the installation or maintenance of utilities, or which may change the direction of flow of drainage channels in the easements, or which may obstruct or retard the flow of water through drainage channels in the easements. The Owner of any Lot or Lots subject to such easements shall acquire no right, title or interest in or to any pipes, wires, poles, equipment or other

appliances placed on, over or under said easement areas. No purchaser of a Lot or anyone claiming by, through or under any such purchaser, shall have the right to interfere at any time with any such construction, installation or maintenance operations. The Owner of any Lot or Lots subject to such easements shall remove any structures, planting, trees or shrubbery in said easement areas upon demand of Developer, and its successors and assigns, where such structures, planting, trees or shrubbery interfere with the use of the said easement for the purposes for which the same have been reserved. The easements and rights hereinabove granted and reserved to Developer, and its successors and assigns, shall not pass from Developer, and its successors and assigns, by deed conveying any of said Lots but shall exist and continue in Developer, and its successors and assigns, only or in those persons or corporations to whom Developer, and its successors and assigns, shall have expressly conveyed said easements and rights. The Developer shall have the right to grant subordinate easements to utility companies, governmental bodies and others within such easement area for the purpose of carrying out or facilitating such construction, installation and maintenance. The easements created or reserved herein are in addition to the easements created by or shown on the Plat.

**5.19 Water and Sewer Rights, Well Limitation.** Clay County Utility Authority, or its successors, has the sole and exclusive right to provide all water and sewer facilities and service to the Property. No well of any kind shall be dug or drilled on any of the Lots or Tracts to provide water for personal or housekeeping use within the structures to be built upon the Lot, and no potable water shall be used within said structures except potable water which is obtained from Clay County Utility Authority or its successors and assigns. All sewage from any buildings on any of said Lots must be disposed of through the sewage lines and disposal plant owned by Clay County Utility Authority, or its successors or assigns. Clay County Utility Authority is hereby granted and has a non-exclusive, perpetual and unobstructed Easement and right in and to, over and under the Property as shown on the Plat thereof for the purpose of ingress, egress, installation and/or repair of water facilities. Developer reserves the right to convey to Clay County Utility Authority all Easements required to provide water and sewer facilities and service to the Property. These restrictions shall cease at such time as Clay County Utility Authority, or its successors or assigns, shall permanently cease to provide water to or take and dispose of sewage from said Lots. There shall be no private wells for nonpotable or potable water.

**5.20 Drilling and Excavation.** No oil drilling, oil development operations, oil refining, quarrying or mining operations of any kind shall be permitted upon or in any Lot, nor shall oil wells, tanks, tunnels, mineral excavations or shafts be permitted upon or in any Lot. No derrick or other structure designed for use in boring for oil or natural gas shall be erected, maintained, or permitted upon any Lot.

**5.21 Window Air conditioning.** No window air conditioning unit shall be installed on the front or any side of a building on a Lot.

**5.22 Temporary Structures.** No structures of temporary character, trailer, basement, tent, shack, garage, barn or other out building, shall be used on any Lot at any time as a residence either temporarily or permanently unless otherwise permitted by the terms of this Declaration. In no event shall any shed, shack, barn, or storage outbuilding or structure be constructed, placed, kept, or erected on any Lot. Further, no portable or temporary swing set or basketball facility, structure, or hoop, or similar recreational improvement shall be utilized on any Lot, driveway, or street; all such recreational facilities, if any, shall be considered improvements and shall be subject to the requirements of Section 5.1 contained hereinabove. Nothing contained in this Declaration shall prevent the Developer or any person designated by the Developer from erecting or maintaining dwellings, model houses, or other temporary structures as the Developer may deem advisable for development, construction, storage and sales or rental purposes.

**5.23 Garbage and Refuse Disposal.** No Lot shall be used or maintained as a dumping ground for rubbish, trash, garbage or other waste. Rubbish, trash, garbage, or other waste shall be kept in closed sanitary containers constructed of metal or rigid plastic, except that during the course of construction upon Lots, the debris created by the builders shall not be required to be kept in closed containers. All equipment for the storage or disposal of such material shall be kept in clean and sanitary condition and shall not be visible from the street except on scheduled garbage pick-up days, except debris created during the course of construction as aforesaid, which shall be removed by the builder upon completion of construction.

**5.24 Sewage Disposal.** Each Owner of a Lot shall pay when due the periodic charges or rates for the furnishing of sewage collection and disposal service. No septic tank or sewage disposal unit shall be installed or maintained on any Lot.

**5.25 Drainage and Utility Easements.** The Developer hereby reserves unto itself and grants to the Association a perpetual, non-exclusive, alienable and releasable privilege and right on, across and under the ground to construct, maintain and use electric, telephone, wires, cables, conduits, sewer, water mains or pipes, Drainage Swales or pipes, and other suitable equipment for the conveyance, and use of electricity, telephone, water or other public conveniences or utilities on, in or over a ten (10) foot wide strip at the back of each Lot and over a five (5) foot wide strip at the side of each Lot as well as the private easements shown on the Plat; provided, however, such easements located along the rear of any Lot containing a portion of the Conservation Easement and contiguous to the wetland buffer for those Lots containing a portion of the wetland buffer shall be located immediately interior and contiguous to the Conservation Easement or wetland buffer along the rear of the Lot. A release of the five (5) foot strip easement reserved by Developer is hereby granted where any portion of a dwelling constructed by Developer or a builder encroaches onto said five (5) foot strip easement, provided such improvements have been approved as required by Section 5.1 hereof. The Developer shall have the unrestricted right and power to release said Easement. The granting of Easements as contained in this paragraph shall be subordinate to the Developer's right to assign said Easement to Clay County or

other parties should the Developer desire to assign said Easement rights. Additionally, said Easements as granted in this paragraph shall be subordinate to the restrictions of the Conservation Easement areas wherever these Easements fall into such areas.

**5.26 Stormwater Management System.** The Association shall be responsible for the maintenance, operation and repair of the Stormwater Management System. Maintenance of the Stormwater Management System(s) shall mean the exercise of practices which allow the systems to provide drainage, water storage, conveyance or other stormwater management capabilities as permitted by the SJRWMD. The Storm Water Management System is designed and constructed or implemented to control discharges which are necessitated by rainfall events; incorporating methods to collect, convey, store, absorb, inhibit, treat, use or reuse water to prevent or reduce flooding, overdrainage, environmental degradation, and water pollution or otherwise affect the quantity and quality of discharges. The Association shall be responsible for such maintenance and operation. Any repair or reconstruction of the Stormwater Management System shall be as permitted, or if modified as approved by the SJRWMD. The Association shall and does hereby agree to accept assignment of any and all permits related to the Stormwater Management System and/or any other environmental permit required by any governmental or quasi-governmental agency having jurisdiction from time to time and shall be bound to abide by all of the conditions imposed in such permit(s).

**5.27 Vegetative Natural Buffer.** There shall be set aside a permanent vegetative buffer (the "Buffer") averaging twenty-five (25) feet wide, over that portion of the Property shown on the Plat as a vegetative natural buffer (or other description). This Buffer is a part of the surface water management system permitted by the SJRWMD. The purpose of this Buffer is to detain and treat stormwater prior to drainage offsite. Therefore, the Buffer area shall be maintained by the Members and the Association with a dense vegetative cover. All activities prohibited by the Conservation Easement Agreement are prohibited in the Conservation Easement Area and in any areas of the Buffer which may be contained within the Conservation Easement Area as well. Filling and placement of impervious surface (other than fenceposts) are prohibited within the Buffer.

**5.28 Jurisdictional Areas.**

(a) The Plat of the Property depicts certain wetland jurisdictional lines and/or environmental Buffer zones, and/or Conservation Easements as established by the SJRWMD, Corps or the DEP. No Owner shall make any vegetative or topographic alterations to the land lying waterward of such jurisdictional lines and/or environmental Buffer zones and/or lands lying within any Conservation Easement without obtaining a permit from the applicable agency. Any Owner violating this provision shall indemnify and hold Developer, any builder and the Association harmless from all fines, penalties, costs or damages arising out of such violation.

**(b) Pursuant to the provisions of Section 704.06(1) (a through h) Florida Statutes, restrictions are hereby placed on the Property that all construction, including clearing, dredging, or filling, except that which is specifically authorized by the SJRWMD or which may be authorized by a future SJRWMD Permit, which is waterward of the jurisdictional wetland line and/or environmental Buffer zones of the DEP, SJRWMD, and the Corps, as flagged by Environmental Resource Solutions, Inc. and as depicted on the Plat(s) of the Property or Future Development Property recorded in the current public records of Clay County, Florida, is prohibited. The foregoing restriction may be enforced by the SJRWMD or the DEP. Notwithstanding any other provision, the restriction set forth in this subsection (b) may not be amended without the approval of the SJRWMD.**

**(c) In addition, in the event that the governmental agencies having jurisdiction over the Property require the granting of an additional conservation easement over the Property or any part thereof, the Owners of any land subject to the conservation easement shall abide by all restrictions contained therein.**

**(d) This Declaration is subject to the rights of the State of Florida and the United States over any portion of the Property which may be considered wetlands, marshes, sovereignty, or jurisdictional lands and the Developer has obtained certain permits (the "Permits") to allow the development of the Property. The Corps, and the SJRWMD have issued Permits for the development of Linda Lakes. The permit numbers are as follows: SJRWMD #40-031-100224-2 ACOE# SAJ-200507-346 (the "Permits"). The construction period for works authorized by the aforementioned Permits is finite; the Permit(s) themselves, with their limitations and prohibitions do not expire. Every Lot Owner hereby accepts the obligation, responsibility and liability to comply with the requirements and terms of the portion of each Permit which relates to the Lot owned. The liabilities associated with compliance with their terms and conditions are the Lot Owner(s) responsibility and obligation. Every Owner shall obtain any permit necessary prior to undertaking any dredging, filling, improving, landscaping, or removal of plant life or any other activity whatsoever within any jurisdictional lands and/or lands which are subject to the Conservation Easement existing on his Lot.**

**(e) The Permits are issued in the name of the Developer and have been, or shall be, assigned to the Association. The Association has the obligation to assure that all terms and conditions thereof are enforced. The Association shall have the right to bring an action, at law or in equity, against an Owner violating such Permits; provided, however, any Owner owning a Lot which contains or is adjacent to jurisdictional wetlands or conservation areas as established by the Corps or SJRWMD, shall, by**

acceptance of title to the Lot, be deemed to have assumed the obligation to comply with the requirements of the foregoing Permits as such relates to its Lot. Except as required or permitted by the aforementioned Permits issued by the Corps and SJRWMD, no Owner shall alter, fill, dredge, place sod or excavate, or perform similar activities on any portion of their respective Lots, unless and until such activity is authorized by or exempt from the requirements of Corps and SJRWMD. In the event that an Owner violates the terms and conditions of such Permits and for any reason the Developer or the Association is cited therefor, the Owner agrees to indemnify and hold the Developer and the Association harmless from all costs arising in connection therewith, including without limitation, all costs and attorneys' fees, as well as costs of curing such violation. Notwithstanding any other provisions contained elsewhere in this Declaration, the Corps and SJRWMD shall have the rights and powers enumerated in this paragraph. The Corps and SJRWMD shall have the right to enforce, by a proceeding at law or in equity, the provisions contained in this Declaration which relate to the maintenance, operation and repair of the Stormwater Management System and/or jurisdictional lands subject to the regulation of the Corps or SJRWMD. Any repair or reconstruction of the Stormwater Management System shall be as permitted, or if modified, as approved by the SJRWMD. Any amendment to this Declaration which alters the Stormwater Management System, beyond maintenance in its original condition, including the water management portions of the Common Property must have prior written approval of the SJRWMD. Any amendment to this Declaration which amends the responsibilities or obligations of the parties with respect to the Corps Permit must have prior written approval of the Corps. In the event that the Association is dissolved, prior to such dissolution, all responsibility relating to the Stormwater Management System and the Permits must be assigned to and accepted by an entity approved by the Corps and SJRWMD.

**5.29 Common and Maintenance Areas.** The Association shall maintain all of the Common and Maintenance Areas in an attractive condition and in a manner that is harmonious with the Property and in accordance with any applicable governmental or agency permitting requirements. If the Association fails to maintain the Common and Maintenance Areas in accordance with the foregoing, the Developer shall have the right, but no obligation, to enter upon any such Common or Maintenance Area to perform such maintenance or work which may be reasonably required, all at the expense of the Association, which expense shall be payable by the Association to the Developer on demand. The Common Areas cannot be mortgaged or conveyed without the consent of at least two-thirds (2/3) of the Lot Owners (excluding the Developer). Notwithstanding anything herein to the contrary, so long as Developer owns any Lot within the Property, the Association hereby grants to Developer a license, right, and privilege to enter upon any portion of the Maintenance Area containing entrance area amenities, such as landscaping and signage, for (i) the construction and location of

signage, including flags, advertising, and other advertising materials promoting the sale of Lots and residences in the subdivision and (ii) for the purpose of landscaping, maintenance, irrigation, and other activities associated with maintaining in a good and aesthetically pleasing condition the entrance way to the subdivision from time to time. The license granted herein to Developer shall automatically terminate at such time as Developer no longer owns any Lots in the subdivision. Developer shall have the right to be reimbursed by the Association from time to time for all expenses reasonably incurred by Developer in connection with any portion of the maintenance area containing entrance area amenities described hereinabove, inasmuch as maintaining the aesthetic appearance of the project is for the mutual benefit of all persons residing therein.

**5.30 Swale Maintenance.** If the Developer has constructed a system of Drainage Swale (the "Drainage Swale" or "Swales") in the subdivision for the purpose of managing and containing the flow of excess surface water, if any, found upon the Property from time to time. Each Lot Owner, including builders, shall be responsible for the maintenance, operation and repair of the Swales on their Lot. Maintenance, operation and repair shall mean the exercise of practices, such as mowing and erosion repair, which allow the Swales to provide drainage, water storage, conveyance or other stormwater management capabilities as permitted by the SJRWMD. Filling, excavation, construction of fences or otherwise obstructing the surface water flow in the Swales is prohibited. No alteration of the Drainage Swale shall be authorized and any damage to any Drainage Swale, whether caused by natural or human-induced phenomena, shall be repaired and the Drainage Swale returned to its former condition as soon as possible by the Owner(s) of the Lot(s) upon which the Drainage Swale is located.

**5.31 Lot 117.** Notwithstanding anything hereinabove to the contrary, given the nature, size, location, and topography of Lot 117, the Developer or Association may allow the construction upon Lot 117 of a County-permitted, fully enclosed, permanently-affixed structure, for the intended use as a garage, storage area, or ancillary structure, provided, however, that Lot 117 shall still be subject to the requirements of Section 5.1 contained hereinabove. Prior to any such construction, the Owner of Lot 117 must submit proposed plans and specifications for review and must receive approval in writing by the Developer, or after the Transfer Event, by the Association's Board of Directors and the Architectural Review Board. Nothing in this provision shall be construed as a guarantee that any such proposed improvement will be approved by the Developer, or after the Transfer Event, by the Association and Architectural Review Board.

## **ARTICLE VI. STORMWATER RETENTION PONDS**

**6.1 Use of Stormwater Retention Ponds.** Certain Lots are hereby made subject to a non-exclusive drainage and stormwater management Easement over and across all Stormwater Retention Ponds within any such Lot ("Stormwater Retention Ponds" hereinafter referred to as "S.R.P.s"). With respect to the S.R.P.s now existing, or which may be hereafter created within the Property, no Owner shall:

(a) pump or otherwise remove any water from such S.R.P.s for the purpose of irrigation or other use;

(b) place rocks, stones, trash, garbage, untreated sewage, rubbish, debris, ashes, or other refuse in such S.R.P.s or in any other portion of the land owned by Developer lying adjacent to or near the Property;

(c) construct, place or maintain therein or thereon any docks, piers, bulkhead or other similar facilities, without the prior approval of any governmental or quasi-governmental agency having jurisdiction and the Developer prior to the Transfer Event, or thereafter subject to the prior approval of the Association;

(d) fish with the use of nets or with any other trap or spear;

(e) operate or maintain thereon any boat or any gas, electric or diesel driven vehicles; provided, however, boats used for the maintenance of the S.R.P.s shall be permitted, as deemed necessary by the Developer or Association.

## **6.2 Maintenance of Stormwater Retention Ponds.**

(a) Developer, prior to the Transfer Event, shall have the sole and absolute right, but no obligation, to control the surface water level of such S.R.P.s, subject, however, to the limitations imposed by applicable governmental and quasi-governmental authorities.

(b) The Association shall be responsible for the maintenance of the S.R.P.s including, without limitation, the control of the growth and eradication of plants, fowl, reptiles, animals, fish and fungi in and on such S.R.P.s.

(c) The Lot Owner shall be required to maintain such grass, plantings or other lateral support to prevent erosion of the embankment of any Lot adjacent to the S.R.P.s above the water line of the S.R.P.s and the height, grade and contour of the embankment shall not be changed without the prior consent of the Developer prior to a Transfer Event; provided, however, that no plants may be allowed to extend into or grow into the S.R.P.s. If the Lot Owner fails to maintain said embankment in accordance with the foregoing, the Developer (prior to a Transfer Event and thereafter, the Association) shall have the right, but not the obligation, to enter upon any such Lot to perform such maintenance work which may be reasonably required, all at the expense of the Lot Owner, which

expense shall be payable by the Lot Owner to the Developer or Association, on demand.

**6.3 Assignment of Maintenance Obligations.** This Declaration cannot be terminated to extinguish the Association's obligation to maintain the S.R.P.s unless adequate provision for transferring this obligation to the then Owners of the Lots subject to the Easement on a pro rata basis is made and said transfer of obligation is permitted under the then existing requirements of the SJRWMD or its successors, and Clay County Utility Authority or any other governmental body that may have authority over such transfer of obligation.

**6.4 Indemnification.** In connection with the platting and development of the Property, the Developer assumed certain obligations in connection with the maintenance of the water in the S.R.P.s. The Developer hereby assigns to the Association and the Association hereby agrees to assume all the obligations and responsibilities for maintenance of the S.R.P.s by the Developer under the Plat. The Association further agrees that subsequent to the Transfer Event it shall indemnify and hold Developer harmless from suits, actions, damages, liability and expenses in connection with loss of life, bodily or personal injury or property damage or any other damage arising from or out of occurrence in, upon, at or from the maintenance of the S.R.P.s, occasioned wholly or in part by any act or omission of the Association or its agent, contractors, employees, servants or licensees.

## **ARTICLE VII. MISCELLANEOUS**

**7.1 Assignment of Developer's Rights.** The Developer shall have the sole and exclusive right at any time and from time to time to transfer and assign to, and to withdraw from such person, firm, corporation, trust or other entity as it shall select, any or all rights, powers, Easements, privileges, authorities and reservations given to or reserved by the Developer in this Declaration. Upon the Transfer Event, the rights of the Developer hereunder shall vest automatically in the Association which shall assume all obligations thereof.

**7.2 Amendments.** Subject to the limitations imposed on the Developer by Section 720.3075, Florida Statutes (2014), the Developer prior to the transfer Event reserves and shall have the right:

(a) to amend this Declaration, but all such amendments shall conform to the general purposes and standards of the Covenants and Restrictions herein contained;

(b) to amend this Declaration for the purpose of curing, any scrivener's error, and any ambiguity in or any inconsistency between the provisions contained herein;

(c) to include in any contract or deed or other instrument hereafter made any additional covenants, restrictions and Easements applicable to the Property which do not lower the standards of the Covenants and Restrictions herein contained;

(d) to release any Lot from any part of the Covenants and Restrictions which have been violated if the Developer, in its sole judgment, determines such violation to be a minor or non-adverse violation; and

(e) to amend this Declaration pursuant to the requirements of the Veterans Administration, Federal Housing Administration, Federal National Mortgage Association, its successors and assigns, SJRWMD, DEPCorps, or such similar institutions or associations, without further consent of any of the Owners and all Owners acknowledge that such amendments shall be binding upon and shall constitute covenants running with the land irrespective of the date of amendment.

**7.3 Amendment by Owners.** In addition to any other manner herein provided for the amendment of this Declaration, the covenants, conditions, restrictions, Easements, and charges of this Declaration may be amended, changed, added to, derogated, or deleted at any time and from time to time, subject to the limitations imposed by Section 7.5 hereof below, upon the affirmative vote of not less than two-thirds (2/3) of the voting interest of the Association, except that no amendment or change shall be allowed by others, without the consent of the Developer, as long as the Developer owns at least one (1) Lot in the development, unless prohibited by the provisions of Chapter 720, Florida Statutes (2014) from time to time in effect.

**7.4 Approval of Developer.** Wherever in this Declaration the consent or approval of the Developer is required to be obtained, no action requiring such consent or approval shall be commenced or undertaken until after a request in writing seeking the same has been submitted to and approved in writing by the Developer. Such request shall be sent to Developer by Certified Mail Return Receipt Requested. In the event that the Developer fails to act on any such written request within sixty (60) days after the same has been submitted to the Developer as required above, the consent or approval of the Developer to the particular action sought in such written request shall be presumed; provided, however, no action shall be taken by or on behalf of the person or persons submitting such written request which violates any of the Covenants and Restrictions herein contained.

**7.5 Amendment of Stormwater Management System.** Any amendment to the Covenants and Restrictions which alter the Stormwater Management System, beyond maintenance in its original condition, including the water management portions of the Common Areas, must have the prior approval of the SJRWMD.

**7.6 Consent for Additional Covenants.** No Lot Owner, without the prior written approval of the Developer, may impose any additional Covenants or Restrictions on any part of the Property.

**7.7 Duration.** These Covenants and Restrictions, as amended and added to, from time to time, as provided herein, shall, subject to the provisions hereof and unless released as herein provided, shall remain in full force and effect for a period of thirty (30) years from the date this Declaration is recorded, and thereafter the said Covenants and Restrictions shall be automatically extended for successive periods of ten (10) years each, unless within six (6) months prior to the end of the thirty (30) year period from the date this Declaration is recorded, or within six (6) months prior to the end of any such ten (10) year period, as the case may be, a written instrument executed by the then Owners of a majority of the Lots shown on the Plat of the Property terminating this Declaration shall be placed on record in the office of the appropriate agency of Clay County, Florida. Upon termination, the requirements of Section 6.3 must be complied with. If required under Florida law, the Developer or the Association shall have the right to cause these Covenants and Restrictions to be re-recorded at such intervals as necessary to continue its enforceability.

**7.8 Enforcement of Covenants.** If any person, firm, corporation, trust or other entity shall violate or attempt to violate any Covenants or Restrictions contained herein, it shall be lawful for the Developer, Association, or any Owner of any Lot: (i) to prosecute proceedings for the recovery of damages against those violating or attempting to violate any such covenant or restriction, or (ii) to maintain a proceeding in any court of competent jurisdiction against those so violating or attempting to violate any such Covenant or Restriction for the purpose of preventing or enjoining any such violation or attempted violation. The remedies contained in this section shall be construed as cumulative of all other remedies now or hereafter provided by law. The failure of the Developer, Association, Owner or its respective successors or assigns to enforce any Covenant or Restriction or any obligation, right, power, privilege, authority or reservation herein contained, however long continued shall in no event be deemed a waiver of the right to enforce the same thereafter as to the same breach or violation, or as to any other breach or violation thereof occurring prior or subsequent thereto. The SJRWMD shall have the right to enforce, by a proceeding at law or in equity, the provisions contained in this Declaration which relate to the maintenance, operation and repair of the Stormwater Management System. In addition to the foregoing, the Association may impose from time to time fines and charges against Members who willfully violate the rules and regulations enacted by the Association from time to time.

In addition to the foregoing enforcement rights, the Association shall have the right to levy and impose reasonable fines against any Owner, tenant, guest or invitee for the failure of the Owner of the Lot, or its occupant, licensee, or invitee to comply with any provision of the Declaration, the Bylaws, or reasonable rules of the Association. A fine may be levied for each day of a continuing violation, with a single notice and opportunity for hearing, and there shall be no aggregate ceiling on the total fine which may be imposed for a recurring violation. All fines levied by the Association shall be a

charge against the breaching Owner's Lot and shall constitute a lien which may be enforced in the same manner as a lien for delinquent Assessments as provided in Article IV above.

**7.9 Annexation.** Additional land located within the boundaries, of the Future Development Property, or which is contiguous to the Property or contiguous to Future Property, may be annexed by the Developer without the consent of Members within twenty (20) years of the date of this instrument. Developer shall record an amendment to the Declaration subjecting the land described thereon to the Covenants and Restrictions contained herein. Developer may include in such amendment additional Covenants and Restrictions provided such Covenants and Restrictions are not inconsistent herewith.

**7.10 Interpretation.** In all cases the provisions set forth or provided for in this Declaration shall be construed together and given that interpretation or construction which will best effect the intent of the general plan of development of the Property. The provisions hereof shall be liberally interpreted and if necessary, they shall be so extended and enlarged by implication as to make them fully effective.

**7.11 Captions.** The captions of the paragraphs hereof are inserted only for convenience and are in no way to be construed as defining, limiting, extending or otherwise modifying or adding to the particular paragraph to which they refer.

**7.12 Gender and Grammar.** The singular wherever used herein shall be construed to mean the plural when applicable and the use of the masculine pronoun shall include the neuter and feminine, wherever applicable.

**7.13 Provisions Severable.** The invalidation of any provision or provisions of this Declaration by judgment or court order shall not affect or modify any of the other provisions of this Declaration which shall remain in full force and effect.

**7.14 Attorneys' Fees.** In connection with any action for the enforcement of any of the rights and obligations contained herein, the prevailing party shall be entitled to be reimbursed for all costs including, without limitation, attorneys' fees at trial or on appeal, unless otherwise provided by applicable law.

IN WITNESS WHEREOF, the Developer has caused this instrument to be executed and set its seal all as of the day and year first above written.
